To Whom It May Concern:

It is our honor to recommend Bauer Design Build for the "Outstanding Member of the Partnership Award" for 2010.

We have had the privilege of working with Mike Bauer and his staff over the past two years on a public-private partnership program which has resulted in the development of the Montrose Early Education Center. Through their innovative approach, patience and willingness to facilitate the project, the construction of this much needed facility in Montrose is now benefiting Montrose families with early education as well as adult programming.

We also appreciate Mike Bauer's participation and dedication to the Wright County Economic Development Partnership through his attendance and participation at Partnership events. We believe Bauer Design Build has a true interest in economic development throughout Wright County.

If you have any questions or would like to further discuss Bauer Design Build's qualifications, please do not hesitate to contact me at the City of Montrose at: 763-675-3717 or via email at bswanson@montrose-mn.com.

Best regards,

Barb Swanson
