To Whom It May Concern:

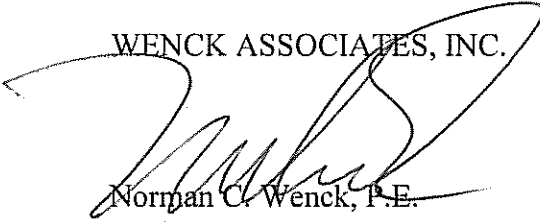

It is with great pleasure that I recommend the services of Bauer Design Build. I have recently completed my first project – an office building renovation – with them and I am pleased with the results.

The team at Bauer Design Build provided a high level of service. They displayed problem-solving capabilities throughout the project and the quality of the end product is proof of the care and value Bauer Design Build adds to a project. They finished the project on schedule and we are pleased with the work.

Bauer Design Build proved a very effective partner in our project, and I am happy to give them my endorsement.

Sincerely,

WENCK ASSOCIATES, INC.
